## Skills

### Programming Languages

Python since Feb 18 - Intermediate/Proficient. *Infobox v1.5.5-WeatherApp*. [GitHub](#)  
JavaScript, since Jul 18 - Proficient. *My Furball*. [GitHub](#)  
HTML, CSS  
LaTeX since Aug 18 - Beginner. *This CV*.  
Node.js since Aug 18 - Beginner.  
Frameworks jQuery, gsap - *My Furball*. [GitHub](#)  
and Libraries Angular.js - *Visual Metronome*. [GitHub](#)  
datetime, urllib, timezonefinder, pytz, Pillow - *Infobox v1.5.5-WeatherApp* [GitHub](#)

### Software, Tools

Code Editing Visual Studio Code, Notepad++, git - *frequent use*.  
OS Windows, Ubuntu, MacOS X, Android - *frequent use*; Raspbian - *fundamentals*.  
Office Microsoft Word/ Excel/ PowerPoint, Libre Office - *frequent use*.  
Photo and *Assistant editor for 'Party of Eight' (D 2013)*. [link](#)  
video editing Adobe Photoshop, GIMP, Adobe Premiere Pro, Inkscape, Avid Media Composer.  
Music Expert - *various artistic commitments and music productions*.  
production Cubase, Ableton Live, Wavelab, Audacity, Reaper, Pro Tools.

### Areas of Strength

Creativity *Various artistic projects and music compositions*.  
Problem *Customer service, technical support. Understanding of customers UX*.  
solving  
Fast under- *Fast learning of new programs, concepts and programming languages*.  
standing  
Autonomy *Autodidactic learning of programming languages, writing a Master thesis*  
Organization *Systematic approach and organized planning of work and projects*.  
Reliability *Deadlines, various assignments like composing music for artistic shows*.  
Communication *Providing a connection between customer and company in customer service*.  
Teamwork *Cooperations with other musicians*.

---

## Languages

German Native proficiency  
English Working proficiency  
French Elementary proficiency

---

## Publications

### Books

Jan-Patrick Tyra. *Surreale Ästhetik im Spielfilm der Gegenwart*. AV Akademikerverlag, 2015.
